Castillo de Canena Biodynamic XV Olive Oil

Since 1780, the Castillo de Canena estate has been producing exceptional oils in the Guadalquivir Valley of Andalusia in the south of Spain. This Picual oil has been produced using strict Biodynamic processes and standards and is DEMETER certified. A fresh, lively and expressive oil with flavors of olive leaf, lettuce and artichoke, and hints of fresh fruits, tomato vine and a heady touch of green banana and apple.
