

ESPAÑA

Dequmana Naturally Cured Olives

This elegant line of olives is cured the traditional way, naturally with salt and water, with no added dyes or preservatives. Try all five varieties - all native to Spain. The small and buttery Arbequina; ripe and tender black Empeltre; enormous and succulent Gordal in brine or marinated; and Mixed Olives with four varieties of olives cured with herbs and natural red pepper. Each bursting with the flavors and heat of Spain.
