

**Neus by Priorat Natur**  
**Extra Virgin Olive Oil**

*Origin:* Priorat, Catalonia, Spain

*Profile:* This award winning oil is made from 100% Arbequina olives. It is extracted from a first cold pressing and then purified through a decantation process. Neus' complex smooth buttery flavor with a hint of almond makes this oil ideal for dishes that require a high quality olive oil.

*Producer:* In keeping with tradition, Priorat Natur harvests the olives by hand to ensure the quality of the olives before pressing.

*Uses:* Often used as a finishing oil, it's great on salads, soups or poured over a thick hearty bread. Replaces butter on popcorn & corn on the cob.
